

Many people know Memphis Goodwill as a place to donate their gently used goods or as a place to find a really great bargain. But what most people don't know is that the mission of Memphis Goodwill is to provide employment and readiness opportunities to those in the Mid-South region that have barriers to employment.

Ultimately, we want to grow and nurture our area to foster healthier communities. We are not looking to provide charity. We offer a second chance. Your thoughtful tax-deductible contribution will help individuals with disabilities and other special needs receive the training and opportunities they need to find a job and become a productive member of society.
